Violations of Human Rights by Government & State of Pakistan

Post Regime Change

(10 April 2022 – 21 March 2023)

TABLE OF CONTENTS

INTRODUCTION

This dossier is a compilation of the massive human rights violations taking place in Pakistan since the regime change conspiracy took place in April 2022. It dates from 10 April 2022 till 21 March 2023. The present government and State have been violating the Constitution of Pakistan and the Fundamental Rights enshrined in it and have destroyed all vestiges of democracy in the country as a result. In addition, Pakistan is a State Party to 7 Human Rights Conventions (listed in the dossier) including the International Covenant on Civil and Political Rights (ICCPR) and the Convention against Torture (CAT). By indulging in custodial torture and muzzling freedom of expression Pakistan has violated its international legal obligations as well.

The dossier lists the Articles of the Constitution that have been violated plus the violations of our legal obligations under the International Human Rights Conventions Pakistan is a State Party. The dossier comprises 3 sections: One, Political victimization of PTI and its allies; Two, Attacks on freedom of expression; Three, Violation of the dignity and privacy of political opponents. Documentary evidence is footnoted throughout while other references like photographs, screenshots of tweets, FIRs, letters have been annexed at the end of the dossier.

Even as we circulate this dossier, we are confronted with more human rights violations and violence by the government and State on a daily basis.

EXECUTIVE SUMMARY

Since April 2022, when the Pakistan Tehreek-e-Insaf (PTI) government was toppled in Pakistan, the political party and its supporters have been targeted by a systematic, sustained and state-sponsored campaign of human rights violations. This includes illegal arrests, detention, custodial torture and victimization of political workers; suppression of media reporting and attacks on freedom of expression; and even violation of the dignity and privacy of political opponents. These actions have not only breached fundamental rights enshrined in the Constitution, but also core provisions of seven international human rights conventions that Pakistan has signed and ratified, including the International Covenant on Civil and Political Rights (ICCPR) and the Convention against Torture (CAT). This dossier attempts to compile massive human rights violations taking place in Pakistan since the regime change conspiracy took place in April 2022. Even as this dossier was being compiled, the country continued to face more human rights violations and violence by the government and state on a daily basis.

The PTI's political activity has been curbed – in many cases with violence against peaceful crowds. PTI's long march, a national protest against an illegitimate federal government, was sabotaged with preemptive arrests of hundreds of party workers in Punjab, Sindh and Islamabad. On 25th May, 2022 when the peaceful procession reached Islamabad, it was attacked by police officials resulting in the deaths of two party workers and multiple injuries among a crowd of supporters including women and children. Another peaceful rally in Lahore planned for 8th March, 2023 was prevented by a colonial era law that allows local administration to impose a curfew against political assemblies.

Imran Khan, the party chair narrowly escaped an attempted assassination during a public rally on 3rd November, 2022. The incident left him with bullet wounds that have made it impossible to resume normal mobility for a few months. Despite being widely covered by national and international media, the former Prime Minister could not even get the FIR registered against the individuals he suspected were behind this attempt on his life. The initial investigation by the Joint Investigation Team (JIT) also indicated a well-planned assassination attempt with multiple shooters and subsequent attempts to cover-up the plot.

More recently, Imran Khan's house in Lahore at Zaman Park was besieged by hundreds of law enforcement officials claiming to serve an arrest warrant issued against him. The police used excessive force including tear gas, chemically treated water from water cannons and rubber bullets against his supporters gathered outside, injuring over 150 people including youth, women, elderly citizens and children. Rangers, a federally controlled paramilitary force were then deployed who used live ammunition in an effort to disperse protesters. This turned the residential community housing hundreds of families into a veritable battleground for days. Later, when Imran Khan was traveling to Islamabad to present himself before the court, his home was illegally invaded and ransacked, his wife and staff were terrorized and his personal property damaged, in clear violation of the Lahore High Court's order.

Imran Khan is not the only victim. Senior party leaders and parliamentarians, including Dr. Shireen Mazari, Shahbaz Gill, Azam Swati, Haleem Adil Sheikh, Chaudhary Fawad Hussain and many others were illegally arrested and detained – with some of them even facing custodial torture and sexual assault. Their homes have been repeatedly raided and their families harassed by law enforcement agencies. In multiple cases, children have been detained to pressurize party officers. The criminal cases under which these tactics are deployed are invariably frivolous, and in many cases, police action contravenes protective bail issued by the courts. The case which resulted in the illegal arrest of the party's Vice President is based on a 50-year old land dispute. Another party leader, a 75-year old serving Senator, was illegally arrested and detained for criticizing the incumbent government on Twitter. The senator was tortured, while in police custody, and his home was partially demolished by the government. Cases against him were registered in two different provinces. When the Balochistan High Court quashed cases against him, he was arrested by the Sindh police. Similar treatment has been meted out to other senior party officials including the PTI's Opposition Leader in the Sindh Assembly (who was arrested thrice), Karachi General Secretary, Central Information Secretary, and Vice President Chaudhry Fawad Hussain who was charged with sedition for criticizing the Election Commission for failing to perform its constitutional duties. PTI's allies including members of other political parties including the Awami Muslim League and Pakistan Muslim League-Q have also been similarly targeted.

The incumbent government has victimized not only political opponents but also independent journalists who have been critical of the ruling regime. Multiple senior journalists have been forced

off television shows that they have hosted for years, including those working for leading TV channels like Express News, GNN and ARY. Certain TV anchors have been kidnapped and assaulted, faced raids in their homes and threatening phone calls. Others are facing criminal proceedings on sedition charges for unbiased reporting and commentary. Arshad Sharif, widely believed to be the foremost investigative journalist in Pakistan, was forced into exile in Kenya and later brutally assassinated. To date no individual has been arrested in connection with the crime. Independent coverage by media houses has been censured through regulatory orders and in many cases their TV transmission has been suspended for violating them. These orders include bans on telecasting political speeches and live coverage of political rallies organized by PTI. A propaganda campaign has been run through electronic, print, broadcast and social media to distort facts and malign the PTI, including the use of the state broadcast channel PTV News.

(a) SIEGE OF ZAMAN PARK

Zaman Park, the personal residence of former Prime Minister and Chairman of Pakistan Tehreek-e-Insaf, the largest political party in the country was under assault by the state through its law enforcement agencies (LEAs) without any provocation or a legal excuse from 8th March 2023 onwards right until the physical attack on his gate and the storming of police inside his actual home premises. This effectively siege of Zaman Park comprised a total violation of fundamental rights and infliction of state terrorism against youth women, elderly & children with tear gas, chemically treated water from water cannons and rubber bullets. Rangers even fired live bullets. *(Annexure C-page 6)* All this culminated in the final assault on 18 March 2023 on the actual home of Mr. Khan when he was on his way to Islamabad to present himself before a court. His wife, a very private, non- political person, was alone in the house at the time. This attack on his home was carried out by huge force of heavily armed police and rangers in complete violation not only of the Islamic principle of sanctity of '*Chadar and Chardiwari*' but also of a Lahore High Court order.

The violence spree, in the veil of detaining Former Prime Minister to present him before Additional District & Sessions Judge of Islamabad notwithstanding a protective bail granted to him by the Higher Court, started about four days before the stipulated date of the hearing of case (March 18, 2023), on March 14 and continued for 24 hours. During these 24 hours of violence & excessive use of force by LEAs, hundreds of expired shells of tear gas had been fired even within the actual premises of Former Prime Minister's residence and peaceful & unarmed workers of PTI gathered in solidarity with their leader had been brutally beaten up leaving more than 150 injured including women, youth & elderly. *(Annexure C-page 1)* Contrary to universal code of policing & dealing with peaceful gathering, paramilitary troops of Rangers, heavily armed with automatic assault

rifles/arms had been deployed in the area with a permission to use live bullets/munitions against political workers/citizens gathered lawfully. [1]

To avert violence instigated & sustained by state forces, Former Prime Minister had authorized his counsel that very evening (March 14, 2023) to submit an undertaking *(Annexure C-page 4)* under the Penal Code to convey his intentions to appear before the court of Additional District & Session's Judge on the stipulated date of hearing of the case however, the Capital City Police Officer (CCPO), clearly operating at the behest of coercive regimes in federation & Punjab province to continue violence against peaceful citizens, had refused to meet counsel of Former Prime Minister and accept his undertaking.

Country-wide raids had been conducted amid on-going violent operation in Zaman Park to stop PTI workers from protesting peacefully against excessive use of force by state against peaceful civilians/workers of PTI in Lahore. Hundreds had been illegally picked up including youth & minors.

Independent professional bodies including Lahore High Court Bar Association and Supreme Court Bar Association of Pakistan had condemned an uncalled-for operation against the Chairman & workers of Pakistan Tehreek-e-Insaf. *(Annexure C-page 8)*

The violence came to a halt only after Lahore High Court intervened on March 15 and instructed authorities to avoid using force against unarmed civilians. [2] [3]

- **Pushing Former Prime Minister to a death trap & vandalizing his personal residence during his appearance before the court in Islamabad**

On March 18, 2023, Former Prime Minister & Chairman PTI Imran Khan embarked upon a journey to the court of Additional District & Session's Judge in Islamabad under his private guard and had ended up into to a tunnel created along his route to the court, through shipment containers.

Upon arrival of Former Prime Minister to the court, the LEAs deployed thereof started resorting to violence against peaceful workers & leaders of Pakistan Tehreek-e-Insaf gathered in support of their leader through engaging heavy tear gas shelling & baton, first to create a false impression of "No Show" for the court of law and second to trap Mr. Khan into yet another plot of assassination under the guise of a violent accident. *(Annexure C-page 12)*

Police along with a contingent of heavy machinery *(Annexure C-page 13)*, on the other hand had been sent to Former Prime Minister's residence in Zaman Park, Lahore in clear violations of Lahore High Court's clear instructions of not undertaking any coercive action against Chairman PTI and his party. Islamabad police had taken focal person of Chairman PTI on legal Affairs **Hassan Khan Niazi** *(Annexure C-page 35)* on March 20, 2023 from within the Judicial Complex of Islamabad after getting his bail confirmed by the court without any legal excuse or charges against him. A frivolous case had been registered against him later only after strong reaction by the party & civil society. [11]

frivolous cases against him. The capital police had indulged into harassing the children & female members of his family after failing to find his at home for arrest.

This illegal series of raids on PTI workers had been extended to other parts of the country including Lahore, Jehlum, Rawalpindi and others where hundreds have been picked-up without legal procedure and have been subject to torture & abuse and the cycle continues.

(b) CRUELTY AGAINST POLITICAL OPPONENTS (Arrests/abductions, detentions, manhandling, custodial torture, sexual assaults)

- **Dr. Shireen Mazari**

PTI Senior Vice President Dr. Shireen Mazari was abducted by armed personnel clad in Islamabad police uniform in the broad day light from the capital Islamabad on May 21 2022, kept at an undisclosed location for hours and had been released only after intervention by Chief Justice of IHC. The police personnel manhandled her and took her under an illegal detention clearly to stifle her strong criticism on incumbent regime & its policies, without following any legal procedure or showing arrest warrants. The land encroachment case in which she was arrested was later disclosed to be 50 years old. [12]

The illegal detention of party's senior leader was widely criticized by the party chairman Imran Khan as well as Human Rights Commission of Pakistan. *(Annexure C-page 40)* According to senior journalist Hamid Mir, the case against Shireen Mazari was registered on April 11 2022, and he had allegedly told Mazari about this case 'many days ago'. The journalist claimed that Mazari said she had all the required documents to prove her innocence, but hadn't been contacted by the anti-corruption department yet. *(Annexure C-page 41)*

Islamabad High Court instructed the government to conduct an inquiry into her abduction which had later been declared as arrest. [13] [14]

- **Dr. Shahbaz Gill**

Dr. Shahbaz Gill, the former chief of staff to chairman Imran Khan was arrested in Muzaffargarh on 17th July, 2022 by Punjab Government for allegedly displaying weapons during the provincial by-elections in violation of Section 144.[15] Prior to his arrest, Shahbaz Gill had tweeted that he was ready to get arrested."Before you reach anyone else, I am presenting myself for arrest," he tweeted, "Imran Khan's soldier is not afraid of such tactics. We did not come to indulge into terrorism."

Soon after Gill's arrest, the party chairman Imran Khan and other PTI leaders took to twitter to condemn the illegal arrest terming it as the fascist act towards spreading fear in people and rigging the elections. *(Annexure C-page 43)* Later Dr. Shahbaz Gill was re-arrested on 9th August 2022 on charges of sedition and inciting the public against the state institutions, based on his comments in a live TV show on 8th August aired by ARY News where he spoke about the difference of opinion in the military leadership over PM Imran Khan's ouster through Vote of No Confidence in April 2022.

He was "abducted" from the Bani Gala Chowk by unidentified personnel in cars with no registration plates on. Shahbaz Gill was "dragged" out of his vehicle and tortured before being taken into custody. Footage aired by local television channels showed broken windowpanes of Gill's car. [16] [17] [18] [19]*(Annexure C-page 43)*

Gill was detained for days until a judge ordered to transfer him to a hospital on medical grounds. A tug of war broke out between the police of federal capital & Rawalpindi over the matter of jurisdiction and capital police prevailed.[20] *(Annexure C-page 45)*

Gill stated before the court that he had been stripped several times, tortured and given electric shocks to the sensitive parts of his body by the people detained him. As the news of 'Custodial Torture' on Shahbaz Gill surfaced, it caused a wave of rage among the public. PTI leaders, journalists and even some leaders from the opposition parties extensively condemned the violence against detained PTI official. *(Annexure C-page 46)* PTI's Secretary General and senior leader Asad Umar while speaking to media after meeting incarcerated Shahbaz Gill at Adiala Jail , reaffirmed allegations that Shahbaz Gill was tortured while being in the custody of Islamabad Police to extract a confessional statement against PTI Chairman Imran Khan.[21]

A local court on 17th August, 2022 accepted the police's request seeking an extension of Gill's physical remand on sedition charges. The reserved verdict was delivered by Additional District and Sessions Judge Zeba Chaudhry, following which Gill was handed over to the police for two more days on physical remand despite being previously tortured under the custody of same police. [22]

Following the verdict of Additional & Sessions Judge, PTI Chairman Imran Khan expressed his concerns over Shahbaz Gill's physical remand, saying "this is absolutely unacceptable." "He is in a fragile state of mental and physical health because of the torture inflicted on him when he was abducted, taken to undisclosed location and then again at the police station. This is part of conspiracy," he wrote in a tweet. *(Annexure C-page 47)* Upon completion of his two days remand, Gill was produced before the court on August 19, 2022. He was taken to court in an ambulance from PIMS, where he had been shifted during late hours of August 17 2022 upon his complains on problems in breathing for he had been subjected to torture under the custody. In videos circulating over social media, Gill could be seen crying out for his "mask" while being taken to the courtroom on a wheel chair. [23] [24] *(Annexure C-page 48)*

Later that day, PTI chairman Imran Khan tweeted that all the pictures and videos clearly showed that Gill was tortured "mentally and physically including sexual abuse", calling the violence "too gruesome to relate". Shehbaz Gill was discharged from Pakistan Institute of Medical Sciences (PIMS) on August 22, 2022 after the medical board (the members of which were changed by the federal government) had declared him 'healthy and fit' ahead of the hearing of sedition case against him in a District and Sessions court in Islamabad. [25]

After being appeared in the court on August 22 Judicial Magistrate Malik Aman granted police custody of Gill until August 24, 2022, hearing the lawyers' arguments in a plea against the 48-hour physical remand of him. [26]

Earlier on August 11, 2022, Islamabad Police arrested the wife of PTI leader Shahbaz Gill's driver along with her minor child for "collecting evidence" where her one-year-old daughter was kept without her mother denying the fundamental rights of a minor. The lady had absolutely no connection to PTI or politics. As heart wrenching footages of the crying toddler surfaced on social media, the matter grasped a huge criticism from social media activists as well as party leadership condemning the fascist act of separating a 10 months old baby from her mother. [27] *(Annexure C-page 50)*

Voices against the custodial torture on Shahbaz Gill were raised by international community. **Noam Chomsky** wrote an open letter to the Chief Justice of Pakistan, Umar Atta Bandial expressing his concern over the custodial torture on Dr. Shahbaz Gill. [28] *(Annexure C-page 51)*

Global human rights organization Amnesty International had expressed concern over the custodial torture on PTI leader Shahbaz Gill. [29] *(Annexure C-page 52)*

- **<u>Senator Azam Khan Swati</u>**

Senator Azam Swati was illegally detained on 13th October morning by the Federal Investigation Agency's (FIA) Cybercrime Unit merely for making a Tweet *(Annexure C-page 52)* upon acquittal of Shehbaz Sharif & Hamza Shehbaz in money laundering cases. The senator was arrested at around 3am from his residence in the federal capital Islamabad. FIA officials tortured the 75-year old Senator, in front of his grandchildren, ransacked his house, illegally collected CCTV footages of the premises, and humiliated/harassed the members of his family. Later on bail was granted to him on October 21, 2022 by a District and Sessions Court in Islamabad.

- **Objectionable video sent to Azam Swati's wife**

Despite being released from jail, Azam Swati continued to be a target of shameful political victimization. Addressing a press conference on November 5, 2022 Swati broke into tears while revealing that his wife had received a video caught by a spy camera, breaching their bedroom privacy. [30] [31] *(Annexure C-page 53)*

Within hours after Senator Azam Swati claimed about wife receiving the inappropriate video, Federal Investigation Agency (FIA) declared the video "fake" without performing a professional forensic of the video. *(Annexure C-page 53)*

Afterwards, Senator Azam Khan Swati was once again arrested from his farmhouse located in Chak Shahzad, Islamabad, on November 27, 2022 for making another tweet *(Annexure C-page 54)* against a couple of military officials.[32] An Islamabad court on November 29, 2022 extended the physical remand of Senator Azam Swati for four days till December 3, 2022. booked under separate FIRs in Balochistan and Sindh as well for allegedly using "derogatory language" and "provoking the people against the army". [33]

On December 1, 2022 he was sent to jail on 14-day judicial remand till December 15, 2022. [34] The next day on December 2, 2022 Azam Swati was shifted to Pakistan Institute of Medical Sciences (PIMS) early morning after he had suffered from severe chest pains and problem in breathing. After a couple of hours Quetta police got him discharged and took him to Quetta even before his medical reports had been released. [35]

The Senator's daughter in her tweets confirmed her father's transfer to Quetta by Quetta Police that day. *(Annexure C-page 55)* The illegal & unconstitutional act was widely condemned by party leadership as well as the public. Chairman PTI Imran Khan tweeted on December 2 condemning the shocking treatment extended to Senator Azam Swati. [36] *(Annexure C-page 55)*

On December 9, 2022 CDA sealed and demolished a section of Senator Azam Khan Swati's farmhouse located in Islamabad's Chak Shahzad area. *(Annexure C-page 56)* Balochistan High Court (BHC) on December 9, 2022 ordered quashing all of the 5 cases registered against Senator Azam Khan Swati in the Province. Hours later he was picked up by Sindh Police.

PTI leaders protested and criticized Azam Swati's transfer from one province to another under dozens of sham FIRs registered on the basis of his comments terming it as a grave violation of fundamental human rights. Azam Khan Swati on December 26, 2022 wrote a letter to Islamabad High Court (IHC) Chief Justice Aamer Farooq who was hearing his post-arrest bail plea. In the letter he criticised the IHC over his handing over to the Balochistan and Sindh Police where he was facing 46 FIRs and the transfer of trial court judge who was hearing his bail application. Pakistan Tehreek-e-Insaf (PTI) senators lodged a sit-in in Senate Chairman Sadiq Sanjrani's office on October 17 and accused him of 'partiality' after he had refused to issue production orders of Senator Azam Swati against the parliamentary practice to allow detained or imprisoned legislators to participate in proceedings of the legislature. [40] The group of senators kept on protesting outside Supreme Court of Pakistan for days to highlight violence against Senator Azam Swati & called upon the court to protect his fundamental rights by holding people responsible for abuse accountable.

- **Haleem Adil Sheikh**

Haleem Adil Sheikh, Pakistan Tehreek-e-Insaf's Opposition leader in Sindh Assembly, was taken into custody for three times. He was first arrested from Lahore on July 06, 2022. Later LHC ruled the detention to be 'unlawful' and granted him protective bail. He was arrested by men wearing plain clothes in the presence of Dolphin Police force from a local hotel in Lahore, without divulging where they were taking the abducted PTI leader. The opposition leader's house in Karachi had been raided by the police three days prior to this abduction. [41]

Haleem Adil Sheikh was again taken into custody by the police in Jamshoro on July 27, 2022 in a so-called property transfer case, where he was tortured and manhandled under detention. He was released from Central Jail Karachi on August 29, 2022. He was arrested after he went to the anti-corruption's office in Jamshoro to record his statement in alleged fake property case. Central Senior Vice president of PTI, Chaudhary Fawad Hussain, was arrested during the early hours on January 25, 2023 from his residence in Lahore for allegedly inciting violence against officials of the Election Commission of Pakistan (ECP). He was taken away by 10 to 12 men in four cars without registration numbers at 5.30 a.m. His family had neither been given any details of the FIR registered against him nor had information about his location been shared with them. Later an FIR *(Annexure C-page 62)* registered by Secretary of the Election Commission of Pakistan was surfaced in Islamabad against Chaudhary Fawad Hussain in which he was booked under sedition charges just because he had used the word "*munshi* (assistant)" for the Election Commission of Pakistan. [46] Fawad was brought to Lahore Cantt's court by officials of the Punjab Counter Terrorism Department and police.

Fawad Chaudhry, a former Supreme Court lawyer himself, requested for a copy of the complaint filed against him and stated that he was proud of the charges against him.[47] [48]

Fawad's illegal detention under sedition charges merely for exercising his right to freedom of speech was widely condemned by the party leaders as well as other communities including rights bodies and Bar Associations. Hammad Azhar and Farrukh Habib, who continuously followed the police convoy carrying Fawad Chaudhary to Islamabad, stated that despite the Lahore High Court orders to produce the detained PTI leader before court police kept on roaming around the city in violation of the court orders and did not present him in before the bench. *(Annexure C-page 63)*

A District and Sessions court on January 28, 2023 granted the police a further two-day physical remand of Pakistan Tehreek-e-Insaf leader Fawad Chaudhry, reversing the earlier decision of a judicial magistrate, who had rejected the police plea and sent him on judicial remand to Adiala Jail.

Taj was illegally arrested from his residence in Gulshan-e-Iqbal Karachi by policemen along with some "unidentified persons" who had arrived in three police vehicles and they also ransacked the house. (c) ASSASSINATION ATTEMPT ON CHAIRMAN PTI's LIFE

While leading the peaceful Haqeeqi Azadi March towards Islamabad, Chairman PTI Imran Khan sustained injuries in an assassination attempt at Wazirabad on November 3, 2022. He was hit by multiple bullets to his leg and was shifted to the Shaukat Khanum Memorial Cancer Hospital (SKMCH), Lahore. One citizen, later identified as Muazzam Nawaz, died in the armed attack, while 14 others, including some top leaders of the PTI were injured. [53] As soon as the assailant opened straight firing on PTI leaders, a man named *Ibtisaam* promptly held his arm and pushed it to the other side due to which the assassinated attacked failed. *(Annexure C-page 70)*

The suspected assailant named *Naveed* arrested from the crime scene claimed in his video statements recorded by the mobile of police officials and released one after the other in the evening that he had planned to kill Imran Khan when the long march started from Lahore. "I tried my best to kill him only and no one else because he was misguiding people," he said.

In a video message from the Shaukat Khanum Memorial Cancer Hospital (SKMCH) on November 4 2022, Imran Khan spoke about the plot of his assassination either in Wazirabad or in Gujrat during the Haqeeqi Azadi March. He had already disclosed conspiracies to assassinate him through a religious fanatic in two of his rallies at Rahim Yar Khan & Mianwali on September 24, 2022 and October 07, 2022 respectively. [54]

After the failed assassination attempt, chairman PTI & former Prime Minitser was unable to get an FIR of the incident registered nominating DG(C) ISI Maj. General Faisal Naseer, PM Shehbaz Sharif and Interior Minister Rana Sanaullah as persons accused of plotting an attempt on his life. After the Supreme Court issued a 24-hours ultimatum to Inspector General (IG) Punjab Faisal Shahkar, a first information report (FIR) of gun attack on PTI Chairman was registered on November 7, 2022 without nominating those accused by the victim himself. [55] *(Annexure C-page 71)*

On November 15, 2022 the Punjab government notified a six-member joint investigation team (JIT) to investigate the attack on Imran Khan in Wazirabad. [56] The findings of JIT report surfaced on January 4, 2023 revealing the assassination plot to kill Imran Khan predominantly contradicting the contents of confessional statement by the culprit Naveed as his polygraph test suggested that he was seeking to mislead the investigators through lies & deceptions. JIT found in the forensic report that bullets were fired from three different shooting sites. 14 shells were recovered on the ground and nine shells were recovered from a nearby building.

After the attempt the federal government and "influentials" tried to sabotage the investigations through various means. PMLN leaders who were part of the propaganda campaign for promoting religious hatred against Khan were summoned by the JIT but they did not appear. DPO Gujrat who had given a camera/mobile to an SHO to record the confession of the attacker was also summoned for the investigation but he did not turn up. [57]

On January 10, 2023 differences emerged among the members of joint investigation team (JIT) tasked with probing the attack on Imran Khan. Reportedly four members of the JIT shown differences and shared their reservations with the Home Ministry and Punjab Police chief. Chairman Imran Khan revealed in his tweet *(Annexure C-page 72)* that JIT members were being pressurized to distance themselves from the findings of investigation confirming the fact that powerful quarters were behind the assassination attempt. Despite the presence of an operational JIT formed by the Punjab government, federal government illegally constituted a separate joint investigation team (JIT) on January 23, 2023 to probe into the assassination attempt on the life of PTI Chairman. [58] Pakistan Tehreek-e-Insaf (PTI) moved the Lahore High Court on January 26, 2023, challenging the formation of second JIT by the federal government. [59]

Attempts were being made to sabotage the high profile case of assassination attempt by destroying the JIT record. Important record containing the investigation files of JIT had gone missing from the Punjab Anti-Corruption Establishment (ACE) since February 2023. JIT Record held in the office of JIT member Sayed Anwar Shah was sealed by ACE DG Nadeem Sarwar on 24th January, 2022 soon after the caretaker regime had been formed in the province. Anti-Terrorism Court Gujranwala was informed about attempts to destroy record after which the court ordered DG ACE to produce the same before the court. DG ACE failed to produce record on due date i.e. February 9, 2023 after which court had to depute two prosecutors to break & open the seal of the office, collect record and produce it before the court. After search in presence of witnesses the team recovered only eleven pages of JIT record and rest had gone missing.

Chairman Imran Khan took to twitter *(Annexure C-page 73)* to sum up the JIT sabotaging attempts through deliberate tampering. He stated that "if anyone still has any doubts about who was responsible for my assassination attempt, just see what is happening with the JIT report submitted before the anti-terrorist court." [60] Despite the lapse of months, investigation of an assassination plot on former Prime Minister remain inconclusive with culprits at large.

On the very next day of assassination attempt on Imran Khan, PTI supporters gathered in different parts of the country to mark their protest against the very attempt peacefully. The police here once again resorted to violence and use of force against peaceful protestors and used tear gas & baton charges to suppress their legitimate right to protest. [61] *(Annexure C-page 77)*

(d) CURBS ON PEACEFUL POLITICAL ACTIVITIES

- **<u>Events of 25th May 2022</u>**

In order to exercise its constitutional right to protest, PTI decided to organize a countrywide Long March on 25 May 2022 and invited people from all walks of life including youth & women to mark their protest against the ouster of an elected government, destruction of economy through sheer incompetence and criminal inability. Imported Regime sought to crush the call for peaceful protest and decided to undertake coercive measures to stop people coming out in exercise of their democratic right to peaceful protest. Through the raids conducted by Police & Law Enforcement Agencies across Pakistan, especially in Punjab, law has been vehemently flouted, basic human rights violated and hundreds of PTI members/voters especially from Punjab, Sindh and Islamabad had been arrested without any legal procedure. [62]

25th May 2022 would be marked as the "Black Day" in the political history of the country as the people of Pakistan along with PTI workers & voters had been subject to the worst kind of oppression, coercion, violations of constitutional rights, abuse of law & authority and massacre of civil liberties to stop them from protesting peacefully against the incumbent regime. Police & law enforcement machine had been reduced to a tool to crush public movement at large. [63] *(Annexure C-page 73)*

- **<u>Forced exile & murder of Arshad Sharif</u>** *(Annexure C-page 119)*

Arshad Sharif was one of the leading investigative journalists in Pakistan who was a vocal critic of the incumbent government. He had been the target of fascist PDM regime for exposing the corruption of ruling elites in Pakistan as well as the conspiracy of Regime Change Operation. Arshad Sharif, an outspoken journalist who used to speak and write the truth against the mighty and the powerful, was forcibly taken off air from ARY News, faced charges of high treason in which 20 cases against him were filed across Pakistan, endlessly received life threats, compelled to leave his country & live in exile and finally got brutally murdered in Kenya on October 24, 2022 when the "ruling elite" failed to suppress his voice. Kenyan Police as well as authorities in Pakistan initially tried to portray the "assassination attempt" as a case of "mistaken identity" *(Annexure C-page 120)* in an attempt to escape the investigations, that was soon revealed to be a "ruthless murder" when post-mortem examination *(Annexure C-page 120)* of Arshad's body confirmed that he was tortured before death. Federal government on October 26, 2022 constituted a 3 member Joint Investigation Team to investigate the assassination of Arshad Sharif in Kenya comprising the members from FIA, IB, and ISI. Investigations have neither been concluded nor had there been any arrests in the case.

journalist Arshad Sharif, in a letter to Chief Justice of Pakistan (CJP) Umar Ata Bandial on November 2 2022, requested the constitution of a high-powered judicial commission to investigate her son's murder pointing out that she was unaware of any ongoing investigation on the murder of her son. [115]

The daughter of Arshad Sharif, Alizah Arshad wrote a letter to the Supreme Court (SC) judges and demanded the constitution of a judicial commission to probe into her father's assassination case on December 1, 2022.

Chairman PTI Imran Khan also penned down a letter *(Annexure C-page 123)* to Chief Justice of Pakistan (CJP) Umar Ata Bandial, demanding a judicial inquiry into killing of journalist Arshad Sharif on December 3, 2022.

CJP took Suo Moto notice *(Annexure C-page 124)* of the killing of Arshad Sharif on December 6, 2022.

- **Fact-Finding Report**

On December 7, 2022 an investigative team, consisting of Intelligence Bureau and Federal Investigation Agency officials, concluded in its 592 page Fact Finding Report [116] that the killing of senior journalist Arshad Sharif (on October 23, 2022) was a targeted assassination, involving 'transnational characters'. [117] *(Annexure C-page 125)*

On December 8, 2022 the federal government shared the names of the members of a new special joint investigation team (JIT)[118] formed to probe the murder Arshad Sharif with Supreme Court in line with the top court's order, with the top court ordering it to submit its progress report within two weeks. The new JIT included members from ISI, IB, FIA and the Islamabad police.

- SC rejects JIT report

Supreme Court (SC), while hearing the Arshad Sharif murder case on February 13, 2023 rejected the report of the Special Joint Investigation Team (JIT) formed to probe the murder of senior journalist Arshad Sharif and termed it as a story of 'failures' only. [119] The investigation seems stagnant when it comes to answering two obvious questions that would lead to the culprit behind Sharif's assassination: who pressured Arshad Sharif to leave the country, and who wanted to get rid of him?

- **Arrest of Lt General Retired Mohammad Shoaib**

Lieutenant General (retd) Amjad Shoaib was arrested by the Islamabad police on charges of inciting the public against national institutions on February 27, 2023. FIR *(Annexure C-page 126)* was registered under sections 153A (promoting enmity between different groups, etc) and 505 (statements conducing to public mischief) of the Pakistan Penal Code (PPC). [120] After his arrest the former military officer was presented in the court of judicial magistrate Abbas Shah in Islamabad, who sent him on a three-day physical remand rejecting the police plea seeking seven-day physical remand of the detained.

- **Massive crackdown on Social Media workers**

Hundreds of Social Media Activists were harassed on speaking up against the Regime Change Conspiracy. They were abducted, their mobiles and laptops were confiscated. The families of these activists have also been subjected to harassment.

- **Suspension of TV channels' transmission** *(Annexure C-page 129)*

Shortly after ARY News aired the comments of Shehbaz Gill, the transmission of **ARY News** was taken down in parts of Pakistan on August 8, 2022 following the orders of the Pakistan Electronic Media Regulatory Authority (PEMRA) to cable operators. The regulator later sent a formal "show cause notice" to the broadcaster, accusing it of airing "false, hateful and seditious content." It went on to argue that Gill's comments aired by ARY News were "tantamount to inciting [the rank and file] of armed forces toward revolt." The Ministry of Interior cancelled the no-objection certificate (NOC) of ARY Communications Private Ltd on August 11, citing "adverse reports from agencies" as the reason behind the decision. [121]

The Pakistan Electronic Media Regulatory Authority (PEMRA) on September 5, 2022 decided to immediately take both the **BOL News** and **BOL Entertainment** TV channels off the air for not seeking "security clearance from the Interior Ministry".

- **Ban on live speech telecasts**

PEMRA imposed a ban on live telecast of speeches/public addresses of chairman PTI Imran Khan, with immediate effect on August 20, 2022 after he had criticized custodial torture by state machinery on Dr. Shahbaz Gill. Speaking to a massive gathering at a protest rally in Islamabad on August 20, Imran Khan announced to file a lawsuit against a senior police official and a lower judicial judge for being complicit in custodial torture against Gill. [122]

Post chairman PTI Imran Khan's announcement to engage in legal battle, TV Channels were forced to play delayed broadcast, live coverage of chairman PTI, masking/muting the audio at different intervals and redacting the overall speech time. On 6th Sep 2022, the Islamabad High Court (IHC) revoked the order of Pakistan Electronic Media Regulatory Authority (PEMRA) to ban live telecast of PTI Chairman Imran Khan, however the interference over mainstream media remains unchanged. Pakistan Electronic Media Regulatory Authority (PEMRA) on November 27, 2022 banned the broadcast of Pakistan Tehreek-e-Insaf (PTI) Senator Azam Swati's speeches and press conferences. TV channels were stopped from inviting Azam Swati to talk shows or airing his recorded speech/press conference. [124]

PEMRA once again imposed a ban on broadcasting live or recorded speeches of Pakistan Tehreek-e-Insaf Chairman and former Prime Minister Imran Khan on March 5, 2023 on all satellite TV channels putting allegations of spreading hate speech through his provocative statements against state institutions. [125]

(c) TARGETING POLITICAL OPPONENTS THROUGH MEDIA (State, Private & Social media)

- **Use of State television to promote religious hatred, extremism & violence**

  Javed Latif's presser *(Annexure C-page 130)* on September 14 aired by PTV News with him accusing the chairman PTI of "attacking the basic principles of Islam" and "supporting" the Ahmediyya community during his tenure. The same narrative was pressed & promoted by PMLN leaders Maryam Nawaz and Khawaja Asif in their media interactions on 15th September, 2022 and 10th October, 2022 respectively. Journalist Waqar Satti on August 24, 2022 tweeted *(Annexure C-page 131)* a video employing use of blasphemous content, eventually jeopardizing Imran Khan's life. A twitter trend "توہینِ رسالت کا مجرم عمران" was initiated *(Annexure C-page 133)* by PMLN's leadership, accusing Chairman PTI Imran Khan on September 12 2022 and was massively advanced by PMLN social media support base. Meanwhile twitter trends of the same kind were also initiated against PTI and its Chairman.

- **Discrediting legitimate political movements through state & private media**

- **<u>Propaganda on Toshakhana using Geo News</u>**

  Geo News on 15th November 2022 aired a talk show 'Aaj Shahzeb Khanzada ky Sath' *(Annexure C-page 135)* with a guest named 'Umer Farooq Zahoor' to accuse former Prime Minister Imran Khan of misappropriation in the sale of gifts received from foreign state officials including the watch set gifted by the Crown Prince of KSA Muhammad Bin Salman. Later, on December 5, 2022 Chairman PTI announced to file a lawsuit against Geo News in the United Kingdom (UK) for hurling allegations against him of selling a wristwatch, he had retained from Toshakhana legally. In December 2022 Chairman said that his lawyers had initiated legal proceedings under UAE, UK & US laws against Geo TV, Shahzeb Khanzada and Umer Farooq Zahoor.[126] *(Annexure C-page 136)*

(d) USE OF MEDIA/JOURNALISTS TO SABOTAGE FAIR INVESTIGATION INTO AN ATTEMPT ON CHAIRMAN'S LIFE

Journalists covertly aligned with PMLN's Strategic Media Cell including Ghareeda Farooqi, Murtaza Solangi, Waqar Satti, Hamid Mir, Muneeb Farooq etc. tweeted video *(Annexure C-page 138)* of the culprit involved in Imran Khan's assassination attempt on November 3rd 2022 evening very shortly after the assassination attempt, when no other parallel media had the access to that video. The suspected assailant named Naveed arrested from the crime scene claimed in his video statement that he had planned to kill Imran Khan when the long march started from Lahore. "I tried my best to kill him only and no one else because he was misguiding people," he said.

SECTION III: VIOLATION OF DIGNITY & PRIVACY OF POLITICAL OPPONENTS

[Abuse of Social rights (Wiretapping & audio leaks)]

(Violation of Article 14 of the Constitution of Pakistan *(Annexure-A)* & Intl. HR Conventions *(Annexure-B)* - International Covenant on Economic Social and Cultural Rights (ICESCR) & International Covenant on Civil and Political Rights (ICCPR))

- **Installation of bugging devices (Violation of the Article-14)**

On June 26 2022, a man tasked with installing specific device to record the communication illegally at the residence of chairman PTI was caught and handed over to Islamabad Police *(Annexure C-page 139)* by the staff of chairman PTI. [127]

On July 18 2022, a domestic aide of PTI Senior Vice President Dr. Shireen Mazari, found a listening device attached to a coffee table placed in Dr. Mazari's bedroom. She revealed the details of that 'listening device' found in her bedroom in a press conference the next day.[128] No investigation or action has so far been taken on the matter.

- **Audio Leaks (Breach of the Privacy of PM Office's secure lines)**

A series of audio leaks emerged on September 25, 2022 containing unlawfully recorded conversations between various people from across political spectrum. The secure lines of Prime Minister's house & office had been bugged to intercept conversation between the highest officials. Prime Minister Imran Khan's private quarters had also been bugged in violations of law and the content had been released to public arena unlawfully.

These audio leaks were intended to attack PTI as some of the audios were doctored while others clearly fabricated through the use of audio mixing techniques including famous Deep Fake. *(Annexure C-page 140)* The media houses mainly GEO & SAMAA and the journalists covertly aligned with PMLN Strategic Media Cell initiated an organized campaign on these systematic

audio leaks against Chairman PTI, primarily to achieve political objectives in the favour of Imported Regime.

- **Investigation on Audio leaks**

PM Shehbaz Sharif formed a body to probe the audio leaks and a committee, comprising federal ministers, was also constituted. But not a single person responsible for the hyped-up leaks has been brought before the public, till date. [129] [130] [131] *(Annexure C-page 141)*

- **Attack on judiciary through Audio leaks**

PMLN, known for instigating the only physical attack on Supreme Court of Pakistan in history of the country, launched an organized campaign against the judiciary in a bid to flee from elections through unconstitutional means/excuses and pressing judges to act on the whims/convenience of ruling coalition. In a press conference on February 16, 2023 Interior Minister Rana Sanaullah played unauthenticated/unverified and apparently doctored audios containing conversation former Punjab CM Pervaiz Elahi with persons named "*Joja*"& "Abid Zuberi" regarding a sitting judge of the Supreme Court of Pakistan. [132] *(Annexure C-page 142)*

Interior Minister Rana Sanaullah later on February 22 alleged that two judges of the Supreme Court (SC) Justice Ijazul Ahsan and Justice Sayyed Mazahar Ali Akbar Naqvi were biased against the Pakistan Muslim League-Nawaz (PML-N), in light of the alleged audio of Chaudhary Pervaiz Elahi. [133] The family sources of Supreme Court Judge Justice Mazahar Ali Akbar Naqvi refuted the allegations against him after audio leak and about his assets terming all the charges against the family as false. On the basis of that leaked audio, a judidcial reference was filed (*Annexure C-page 144)* against Justice Mazahar Ali Akbar Naqvi in the Supreme Judicial Council (SJC) on February 23, 2023 accusing him of "misconduct" and "amassing illegitimate assets". [135] The judicial reference was filed after the Supreme Court was due to hear the matter of determining date of polls in Punjab & KPK after dissolution of the two assemblies on January 14, 2023 & January 18, 2023 respectively, as the respective judge was a part of that bench constituted to take up the matter of delay in elections.

PML-N Senior Vice President Maryam Nawaz in the meantime launched a full scale campaign against the serving senior judges of the Supreme Court of Pakistan in clear violation of laws & constitution. He requested Chief Justice that a hearing on his audio leaks petition filed in October 2022 be fixed "at the earliest possible opportunity". I want to thank the SCBAP for their strong position on upholding of Constitution & rule of law. We appreciate your condemnation of excessive use of force by authorities at Zaman Park. My Party was founded on principle of rule of law & we continue to stand by this commitment.

PRESS STATEMENT

Abid S.Zuberi President and Muqtedir Akhtar Shabbir Secretary, Supreme Court Bar Association of Pakistan (SCBAP) have issued following statement;

The SCBAP stands for rule of law and the constitution and respect of the judgments/ order of the Courts. we condemn all violations of any human right and excesses committed by the law enforcement agencies and anybody who has taken the law in their own hand. Any form of violence is not acceptable in a democratic country governed by rule of law and the constitution. The police excess being committed in Lahore to arrest the former Prime Minister in a warrant issued by a Magistrate is excessive and not in accordance with law and sheer violation of fundamental rights of the citizens of this country. Every person must be treated in accordance with law and due process has to be adopted

The police action to serve a warrant of arrest for production of former Prime Minister before the Court in Islamabad cannot compared to the open defiance of the Judgment of the Supreme Court to hold elections in the provincial assemblies of Punjab and Khyber-Pakhtunkhawa(KPK). The Judgment of the Supreme Court is binding on all and every / any authority under the law and the constitution to assist election Commission of Pakistan to hold free, fair and transparent elections.

Refusal of the state to provide adequate funds and relevant support for purpose of holding of elections on the pretext of the security is the open violation of the judgment of Supreme Court as well as the constitution. It is high time that all the stakeholders to sit together and amicably resolve their political differences in accordance of law in the best interest of the country for which purpose the SCBAP is ready to facilitate any such dialogue or process.

IN THE COURT OF ZAFAR IQBAL LEARNED ADDITIONAL SESSIONS JUDGE

In re appearance of Mr Imran Khan in the court

Sir,

Today in pursuance to the order of Islamabad High Court Mr. Imran Khan is on his way travelling from Lahore to Islamabad and in few hours is about to appear in the court. However, the lawyers, media and legal team have not been allowed to enter into the premises of judicial complex

2. That build up of LEA's shows that there is some mischievous plan of the government and instead of security for Mr. Imran Khan which was ordered yesterday by CJ Islamabad High court. The situation is utterly hazardous.

3. I was also made to stop intervened and harled sentences and I rebutted and told them this is not a war zone, in fact it is an open court where at least lawyers and office bearers of PTI, personal security staff of Imran Khan as well as independent media personnel should have access to the court proceedings

You are requested to pass appropriate orders

IMRAN KHAN

Through Dr. Babar Awan Sr ASC
Senior Advocate Supreme Court

[AP]PLICATION FOR APPROPRIATE ORDERS

It is submitted that Mr. Imran Khan is on his [way] from Lahore to attend this court and his legal [team] intends to file bail before arrest in 5 cases [recentl]y registered against him by the hostile regime.

[Tha]t the lawyers are stopped alongwith the [...] who are carrying the bail petitions [as we]ll as books etc and they are being [denie]d access to justice by entering into the [judici]al complex premises

[There] is strong apprehension about the [...]s created by the regime which is [...] hostile against Imran Khan and his [safe]ty is seriously at risk at the hands of [...] planted from within.

[It is] therefore requested that appropriate [orders] be passed to address the aforementioned [griev]ance.

[IMRA]N KHAN

Through Dr. Babar Awan Sr ASC
Advocate Supreme Court
Date: 18/03/23
Time: 10:45 a.m.

THE CHIEF JUSTICE PAKISTAN
SUPREME COURT BUILDING
Islamabad.

Respected Sir,

That Islamabad Hon'ble Court in Criminal Revision No.42/2023 Titled as "Imran Khan Vs District Election Commission" vide its order dated 17-03-2023 while setting aside the non-bail able warrants of arrest issued by the Learned District Judge Islamabad, directed the former Prime Minister of Pakistan to appear before the trial court. The Imran Khan in compliance of the court direction left from Lahore to attend the hearing.

Mr. Imran Khan has gotten protective bails in 9 cases from the Lahore High Court. The Hon'ble Lahore High Court in W.P No. 18442/2023 Imran Ahmed Khan VS FOP vide order dated 17-03-2023 has directed the state authorities to refrain from taking coercive measures against the Imran Khan. When it has been revealed that his Lahore Residence has been stormed by the police, doors and walls have been raised to ground.

It was further informed that the ICT Police in order to create terror and harassment has blocked the roads leading to the Judicial Complex, Islamabad, and also blocked Motorway and other highways to create hurdles in Imran Khan's lawful endeavor in pursuant to the above referred order.

The unlawful and illegal actions are with intention to arrest the Imran Khan in certain cases that are not in the knowledge of the Imran Khan. The access of his legal team and media presence was refused to almost none. His fundamental right to access to justice and fair trial has been hampered and compromised by the Police and law enforcement agencies.

In the prevailing circumstances I have firm reasons to believe that the state authorities in order to avenge the Imran Khan acting on behest of the present PDM government are hell bent to compromise the liberty of the Imran Khan in most unlawful manner. And it has been reiterated by Imran Khan time and again his life is at stake and he may be taken out in a bid to take his life.

That it is appealed that if the respondents are not stopped from acting illegally and arresting Mr Khan. He may face unseen consequences. And to save and protect his fundamental rights of life. This may be taken up in suo moto jurisdiction.

Thanking You

Asad Umar
Secretary General PTI
Islamabad.

Government of Punjab through Chief Secretary
Home Secretary, Government of Punjab Lahore

SUBJECT: Constitution of Judicial Tribunal under S.3 of the Punjab Tribunals of Inquiry Ordinance 1969

Respectfully submitted,

1. That since the august Supreme Court of Pakistan announced the date of the elections of the Provincial Assembly Punjab i.e. 30th April 2023, every effort to harass, intimidate and prevent the Chairman and the senior leadership of the PTI from actively making the appropriate election arrangements including selection of candidates has been faced by the PTI. To achieve this sinister purpose, a reign of terror was unleashed at the residence of the Chairman PTI situated at 1 Zaman Park, Canal Road, Lahore.

2. The acts of the Police officials are to the affect of using threat, which are designed to coerce, intimidate and overawe the members of the PTI, the public at large, with the intention to create a sense of fear and insecurity amongst the supporters of the PTI and the public at large.

3. In terms of what has been stated above, the chain of events started in the second week of March and continuing unabated resulting in destruction of property by the Police Officials, damage to vehicles of workers who were attending the meetings at Zaman Park, abduction of the party members and the general public, torture of the said workers while in custody of the Police as witnessed in the incident involving PTI worker Ali Bilal *alias* Zille Shah. This reign of terror was intended by the Police and the Government of Punjab to create and spread terror & fear, and accordingly warrant the creation of a Judical Inquiry Committee. Since the Police is the main instrument to inflict this terror on the instructions of the Care Taker CM and the Cabinet members, therefore, the institution subservient to the Government of Punjab lacks the authority and transparency to inquire into these events, therefore seek the creation of the Judicial Inquiry Committee as stated hereinabove.

2. Whereas, it has been observed with concern that satellite TV channels are showing live footages / images of violent mob, attacks on police and law enforcing agencies. Such footages /images were seen on TV screens without any editorial oversight during a recent standoff between political party workers and law enforcing agencies in Lahore wherein, violent mob used petrol bombs, injuring armless policemen and blazing police vehicles. Live telecast of such footages on different satellite TV channels created chaos and panic among the viewers and Police. Such activism by mob not only jeopardizes law and order situation but also makes public properties and lives vulnerable. Airing of such content is in violation of judgment of the Hon'ble Supreme Court of Pakistan passed in Suo Moto Case No. 28 of 2018 reported as PLD 2019 Supreme Court1, Section 20 of PEMRA Ordinance, 2002 as amended by PEMRA (Amendment) Act 2007, Rule 15(1) of PEMRA Rules, 2009, Regulation 18 of PEMRA (Television Broadcast Station Operations) Regulations 2012, Clause 4 (10), 5, 17 & 24 of Electronic Media (Programmes and Advertisements) Code of Conduct 2015 read with Section 27 of PEMRA Ordinance, 2002 as amended by PEMRA (Amendment) Act 2007.

3. Foregoing above, the competent authority while exercising powers vested under Section 27(a) of the PEMRA Ordinance 2002 as amended by PEMRA (Amendment) Act 2007, hereby **prohibits live/recorded coverage of any kind of rally, public gathering, procession by any party, organization and individual etc. for today i.e. March 18, 2023 including from the Judicial Complex, Islamabad.**

An open letter to the Honourable Chief Justice of Pakistan regarding concerns about torture, media clampdown and intimidation

22 August 2022

Dear Chief Justice Pakistan Umar Ata Bandial,

We are extremely concerned about the disturbing trend of suppression of media freedom in Pakistan and the use of illegal methods such as torture to subdue political opponents.

The most pressing case is the recent violent arrest of Dr. Shahbaz Gill (Chief of Staff to Chairman PTI Imran Khan and Assistant Professor at University of Illinois at Urbana-Champaign) who was charged with sedition[1] for voicing concerns on ARY TV about government officers taking illegal actions.[2] Subsequently, there are disturbing reports of Dr. Gill being stripped[3] and tortured[4] [5] and being placed in the death cell.[6] The wife of his driver was also picked up and imprisoned with her 10-month-old suckling baby.[7] [8]

We are also witnessing severe suppression of media freedom as exemplified by the ban on the ARY TV channel which is one of Pakistan's biggest and oldest private TV channels.[9] [10] A blanket ban on one of the most well-established TV channels for airing criticism of the government gives credence to the concerns that the regime is operating in a fascist manner and displaying a flagrant disregard for human rights and freedom of speech. The ban has been accompanied by harassment and intimidation of media workers, and late-night raids against well-respected media executives.[11] Explicit and implicit intimidation and threats have forced prominent TV anchors and journalists such as Arshad Sharif and Sabir Shakir to flee the country.[12] [13]

The actions above are fascist in nature and against the basic tenets of any functioning democracy. They are blatant acts of harassment, intimidation, and censorship against Pakistan's media. The International Federation of Journalists (which is the world's largest organisation of journalists) as well as intellectuals such as Noam Chomsky have raised urgent concerns on these matters.[14] [15] [16] We firmly reiterate their demand. Intimidatory arrests and torture violate several human rights conventions including the Convention Against Torture (CAT).

We support a return to a truly democratic dispensation and urge the relevant authorities to adhere to and ensure fundamental human rights, including the right to freedom of opinion and expression, and safeguard from torture.

Before Justice Amir Farooq
Chief Justice
Islam Abad High court, Islam Abad.
Sector, G.10. Islam Abad

Sir, I am Advocate of 75 years of age, confined
now in Judicial lock up in a false case. I
filed a writ petition No 4441/2022 to protect my
duly fundamental right enshrined under
Article 4, 9, 10 & 10-A of the constitution of
Pakistan, 1973, which was rejected by your
Honour in an order passed after a long
delay and against the basic concept of
Natural justice which calls for "justice
delayed is justice denied". This is a
universal calling which I studied not
only in Law School during 1973 but during my
practice as a high court lawyer in 1976
in Sind Baluchistan High court. This was
also a paramount phrase during my practice
as an Attorney-at-law before supreme court
of Texas U.S.A during 1990. However, due to
your late order for unknown reason, I was
abducted and was illegally taken from P.I.M. Hospital
on Dec, 02, where I was admitted, to Quetta then to Sind and
where 46 False F.I.R were filed against me.

Sir, This court has given judgment about Tweet
which my Lawyers presented to Judge special
court, Mr. Raja Asif Mahmood, but unknown
to all of us he was Transferred immediately
and a New judge was appointed after several
days of delay, who dismissed my bail application
without going into merit and without considering
any legal ~~basis~~ basis and ground.

(2)

Mr. Raja Asif Mehmood should not have been Transferred without the consultation of chief justice of IslamAbad high court. I Know it was done without legal or procedural basis. for reason not known to us.

Sir, In my Doctor of Jurisprudence study some when I read that for a lawyer and judge the first ethical consideration is that " Mere appearance of impropriety shall be avoided ":

Sir, I Knew your judgments and had hard time to appreciate these judgments still about month and half ago when your Name came from judicial commission as chief justice of this court for confirmation as chairman of parliamentary Committee for appointment of judge. I called the meeting in less than 12 hours and through Members of committee without making any Negative comment we approved you name without a single day delay. This to me is quick justice and no impropriety and professionalism.

Sir,

I have factual and legal basis to believe that I donot expect justice from your court due to Bias based on " Asif Zardari case " in which Supreme court so well said that If a reasonable man would think that the judge was biased and Bias may be caused by a judgment, order or observation of Superior court, Bias would vitiate the confidence.

Sir, Due to these facts I have no confidence that I will get justice from your court. This " Asif Zardari " case has given me a chance to seek fair trial being my legal and constitutional right. Therefore, my bail application be transferred to any other judge of IslamAbad High court in the interest of justice and for the protection of my legal and Constitutional Fundamental rights that I so cherished.

پولیس کی 25 گاڑیوں کی تو سمجھ آتی ہے پر یہ ساتھ 2 کالے ویگو کیا کر رہے تھے؟
انڈین جاسوس ڈھونڈ رہے تھے ؟

Subject: **DIRECTIVES**

This is in continuation to earlier directives/advice issued from time to time with regard to coverage of public gathering/rallies by satellite TV channels.

2. It has been observed with grave concern that some of the satellite TV channels, are indulged in non-stop coverage of public gathering and rallies and while covering those gathering and rallies slanderous and malicious content targeting state institutions is aired. Telecast of such content is not in consonance with PEMRA Electronic Media (Programmes and Advertisements) Code of Conduct 2015 and is also in violation of the Hon'ble Lahore High Court, Lahore following order in the matter of Writ Petition titled "Mian Ali Asghar Vs. Government of the Punjab and others" (2020 CLC 157):

> ***"--- No Television Channel will make any coverage of the protest(s) being conducted on the Mall Road Red Zone and also notify all the Channels in accordance with Pakistan Electronic Media Regulatory Authority (Amendment) Act, 2007 and Electronic Media Code of Conduct, 2015."***

پیمرا کا بول نیوز اور بول انٹرٹینمنٹ کی نشریات بند کرنے کا فیصلہ

اسلام آباد: 5 ستمبر 2022ء

پیمرا اتھارٹی کا 174واں اجلاس آج مورخہ 5 ستمبر 2022ء کو چیئرمین پیمرا محمد سلیم بیگ کی صدارت میں پیمرا ہیڈکوارٹرز، اسلام آباد میں منعقد ہوا۔

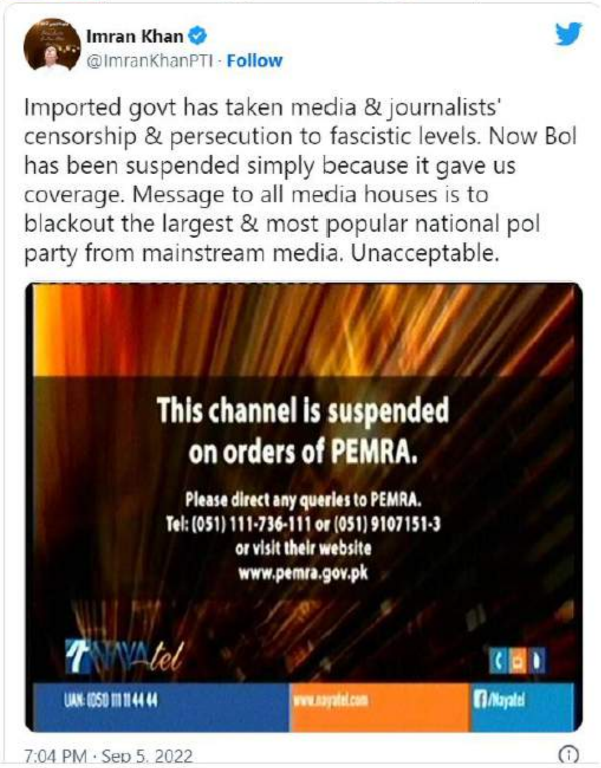

اتھارٹی نے بول نیوز اور بول انٹرٹینمنٹ کو جاری شدہ لائسنس سے متعلق امور کا جائزہ لیا۔ اتھارٹی کو بتایا گیا کہ میسرز لبیک پرائیویٹ لمیٹڈ کو جاری شدہ لائسنسز اتھارٹی نے 2017ء میں 131ویں اجلاس میں منسوخ کر دیے تھے۔ لائسنسز کی منسوخی، وزارت داخلہ کی جانب سے سیکورٹی کلیئرنس جاری نہ کرنے کی وجہ سے کی گئی۔ اس ضمن میں اتھارٹی کا حکم نامہ کمپنی ہذا کی جانب سے سندھ ہائی کورٹ میں زیر التوا رہا اور چینلز نے اپنی نشریات جاری رکھیں۔

تاہم سندھ ہائی کورٹ نے زیر التوا کیس کو 2021ء میں نمٹا دیا۔ دوران سماعت پیمرا کے وکیل نے واضح موقف اختیار کیا کہ اگر وزارت داخلہ میسرز لبیک پرائیویٹ لمیٹڈ کی سیکورٹی کلیئرنس جاری نہیں کرتی تو پیمرا دونوں چینلز (بول نیوز اور بول انٹرٹینمنٹ) کی نشریات چلانے کی اجازت نہیں دے گا۔

لہٰذا آج کی میٹنگ میں اتھارٹی نے تمام ریکارڈ، عدالتی حکم نامہ اور وزارت داخلہ کی طرف سے جاری کردہ مراسلوں کا جائزہ لیتے ہوئے میسرز لبیک پرائیویٹ لمیٹڈ کو جاری لائسنسز (بول نیوز اور بول انٹرٹینمنٹ) کے چینلز کی نشریات فوری طور پر بند کرنے کا حکم دیا۔

یہاں یہ امر بھی قابل ذکر ہے کہ بول انٹرٹینمنٹ کے لائسنس کی 15 سالہ مدت دسمبر 2021ء میں اختتام پذیر ہو گئی تھی اور کمپنی ہذا نے لائسنس کی تجدید کیلئے اتھارٹی کو کوئی درخواست بھی جمع نہیں کرائی۔

Imported govt has taken media & journalists' censorship & persecution to fascistic levels. Now Bol has been suspended simply because it gave us coverage. Message to all media houses is to blackout the largest & most popular national pol party from mainstream media. Unacceptable.

1 سوال پیدا ہوتا ہے کہ کون سا قانون عوام الناس کی اس وسیع پیمانے پر نگرانی وخفیہ ریکارڈنگز کی اجازت دیتا ہے؟
2 یہ سوال بھی پیدا ہوتا ہے کہ قانون اس نگرانی وریکارڈنگز کا حق کسے دیتا ہے؟
3 یہ سوال بھی جواب طلب ہے کہ اس نگرانی وریکارڈنگز کی حدود و قیود کیا ہیں؟
4 یہ سوال بھی اہم ہے کہ اس نگرانی وریکارڈنگز کا سلسلہ کب تک جاری رہے گا؟
5 اس سوال کا جواب بھی لازم ہے کہ اس نگرانی وریکارڈنگز سے حاصل کئے گئے مواد کی حفاظت کا کیا انتظام ہے؟
6 کیا محض کسی کی مرضی سے شہریوں کی باہم بات چیت خفیہ طور پر ریکارڈ اور توڑ مروڑ کر منظرِ عام پر لانے کو گوارا کیا جا سکتا ہے؟
7 گزشتہ چند ماہ سے جاری قانون سے انحراف اور بنیادی حقوق کی خلاف ورزیوں کے اس سلسلے کو روکنے کیلئے کیا اقدامات اٹھائے گئے؟
8 آیا ہمارے وہ حساس ترین ایوان جہاں اہم ترین معاملات پر فیصلہ سازی کی جاتی ہے، محفوظ ہیں؟

Post 21st March 2023 Events

- **<u>Enforced Disappearance of Azhar Mashwani</u>**

PTI Chairman Imran Khan's focal person for digital media Azhar Mashwani was abducted by unidentified persons in Lahore from outside his house on March 23, 2023 merely for criticising the Punjab police and caretaker government for using high-handed tactics against party workers. After Azhar's abduction, Punjab police and FIA had refused to take the responsibility of that 'so-called' arrest. Azhar was not produced before any court nor were any details of the case registered against him disclosed even after more than 120 hours of his 'disappearance'.

Mashwani's brother Mazharul Hassan had tried to get a first information report (FIR) registered against his brother's illegal abduction but officials had refused to do so. Later a habeas corpus petition had been filed in the Lahore High Court (LHC) seeking Mashwani's recovery. After a Sessions court issued notices to the Lahore police chief on a petition seeking the registration of case over Mashwani's kidnapping, city police on March 25 registered a case against unidentified persons for kidnapping the PTI activist. But still now five days have passed since Azhar went missing from Lahore and yet there is no news about his whereabouts.

Azhar's 'enforced disappearance' sparked a strong reaction from PTI Chairman Imran Khan, party leaders, media fraternity as well as the Human Rights Commission of Pakistan and general public of Pakistan. #ReleaseAzharMashwani remained among the top twitter trends under which social media community demanded the immediate release of Azhar Mashwani.

Imran Khan @ImranKhanPTI

Enough is enough. Police in Punjab & Islamabad are breaking all laws with impunity as they target PTI. Today Azhar Mashwani was abducted in the afternoon from Lahore & his whereabouts are unknown. On 18 March Senator Shibli Faraz & Omar Sultan were badly beaten by ICT police
